Horse Crazy I & II camps are for the new student at LEC or any beginning rider. Each day's events will be all about horses! Including hands on horse skills like learning to lunge a horse, how to apply leg wraps, and games on horseback. There will be theories designed to give the beginning rider more confidence and knowledge about the tack they use, types of jumps, and other horse topics. The day may end with a dip in the pool!

\$300 10-3pm, Limited spots. May attend one or both!

Adventure I camp where every day will be something different – jumping, polo, trail riding, cross country, games & swimming (with your horse)! This camp has an added bonus of an overnight camp out in Missouri at the Ponderosa. Riders must be able to canter with confidence in open. Limited space available due to trailering horses off property.

\$350 8-3pm+ any off site facility fees.
